SPECIAL BAR COFFEE BLENDS

CINQUE STELLE SPECIAL BAR COFFEE

Vittoria's premiere espresso blend, Cinque Stelle (five star) is exclusive to fine dining restaurants such as Rockpool, Tetsuya's, Guillaume at Bennelong, Marque, Pier, Attica and Bebergs. This blend of premium 100% Arabica coffee beans delivers a smooth, delicate finish on the palate, created as an after dinner coffee that is best served as an espresso.

Available in 1kg packs (beans).

ORO SPECIAL BAR COFFEE

Vittoria's most popular foodservice blend, Oro (gold) is a blend of 100% Arabica coffee beans and has become famous for its ability to deliver a smooth and flavoursome cup whether served as an espresso or as a milk based coffee.

Available in 1kg packs (beans).

NERO SPECIAL BAR COFFEE

Vittoria's Nero (black) has been created with the strong Italian-style espresso drinker in mind. A dark roasted blend of 100% Arabica coffee beans that is recognised for its ability to maintain a true espresso flavour that's not lost with the addition of milk.

Available in 1kg packs (beans).

BRAZIL REX SPECIAL BAR COFFEE

Served by Australian café icons such as Pellegrini's for over 50 years, this famous blend of 100% Arabica coffee beans predominantly from Brazil make Brazil Rex a smooth, mild medium-bodied coffee.

Available in 1kg packs (beans) and in 1kg packs (ground).

ESPRESSO SPECIAL BAR COFFEE

Vittoria's original and iconic blend, Espresso has remained unchanged for over 50 years. This smooth blend of 100% Arabica coffee beans is darkly roasted to deliver the strong flavour of traditional Italian espresso.

Available in 1kg packs (beans), 1kg packs (ground) and 250g packs for retail sale.

ESPRESSO WATER DECAFFEINATED SPECIAL BAR COFFEE

This 100% Arabica coffee blend is decaffeinated naturally without chemicals using the Swiss Water Decaffeination process. The sweet aroma and medium body gives this coffee an excellent espresso flavour. It is 99.9% caffeine free and 100% chemical-free.

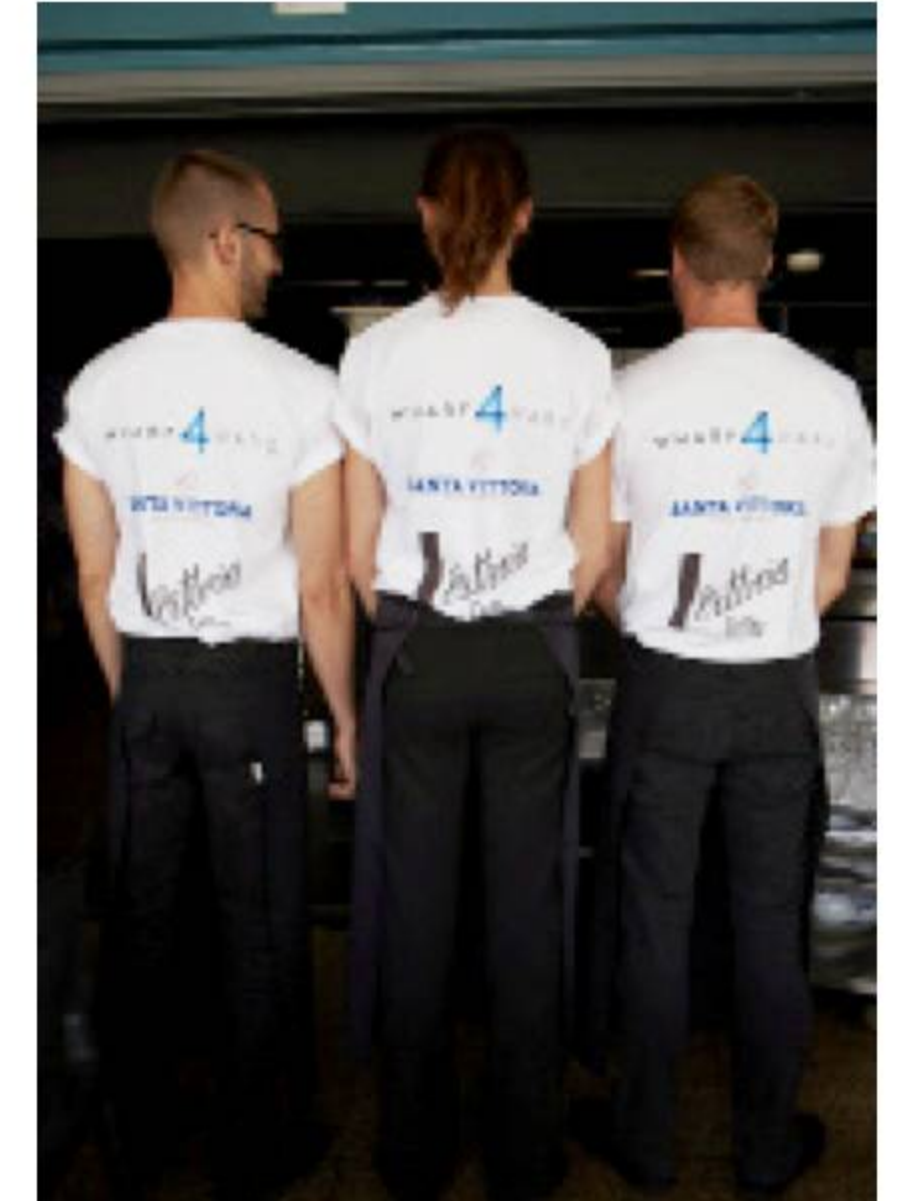

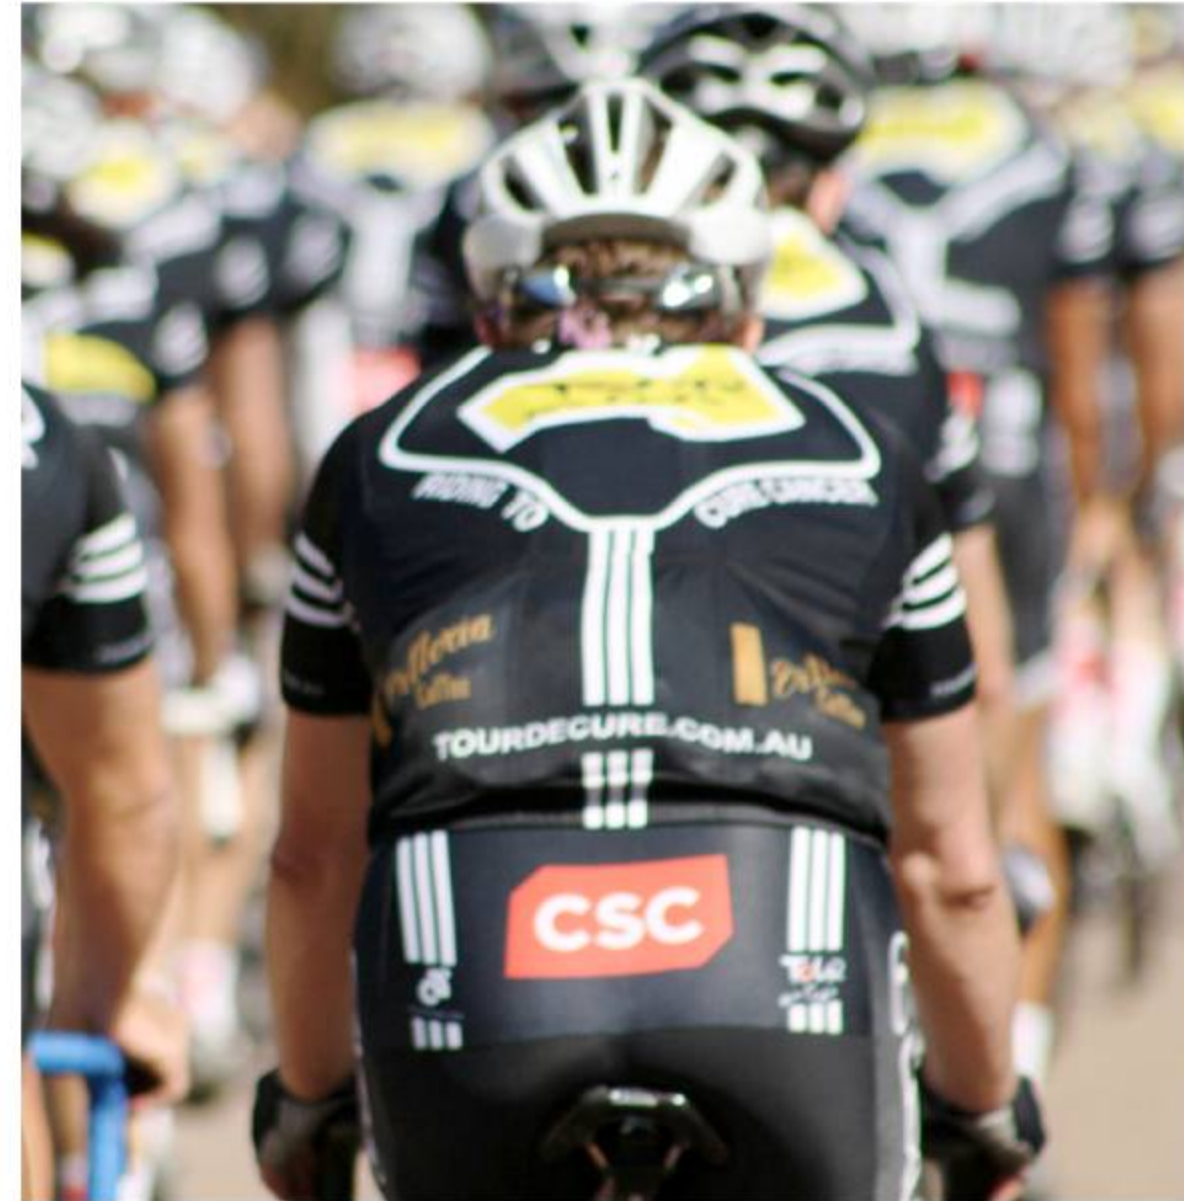

Available in 1kg packs (beans) and 1kg packs (ground).

> LEADING TECHNOLOGY

Our new technologically advanced roasting facility ensures greater accuracy and control of the coffee roasting allowing the ability to replicate the desired taste profile of each coffee blend. We serve over 500,000,000 cups of coffee every year.

> LOCAL, SOCIAL & ENVIRONMENTAL

Contributing to the local and global communities. Offering a ranging of sustainable product including 100% Arabica coffee beans source from Rainforest Alliance certified plantation's.

> LEADING TECHNOLOGY

We are the exclusive agent for Faema, Italy's No.1 Professional Espresso Machine manufacturer.

We are Faema's largest customer globally.

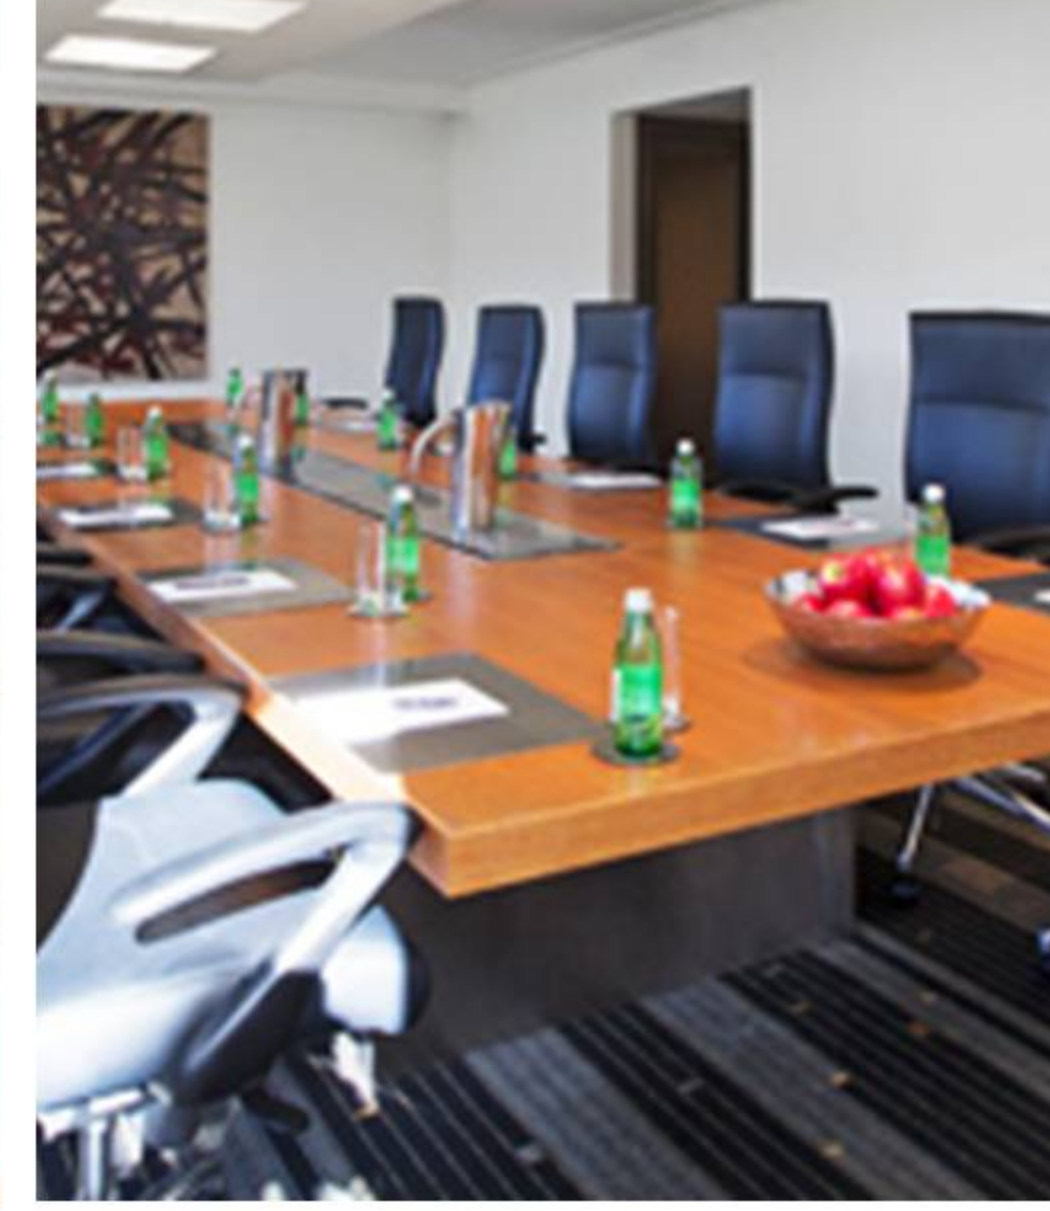

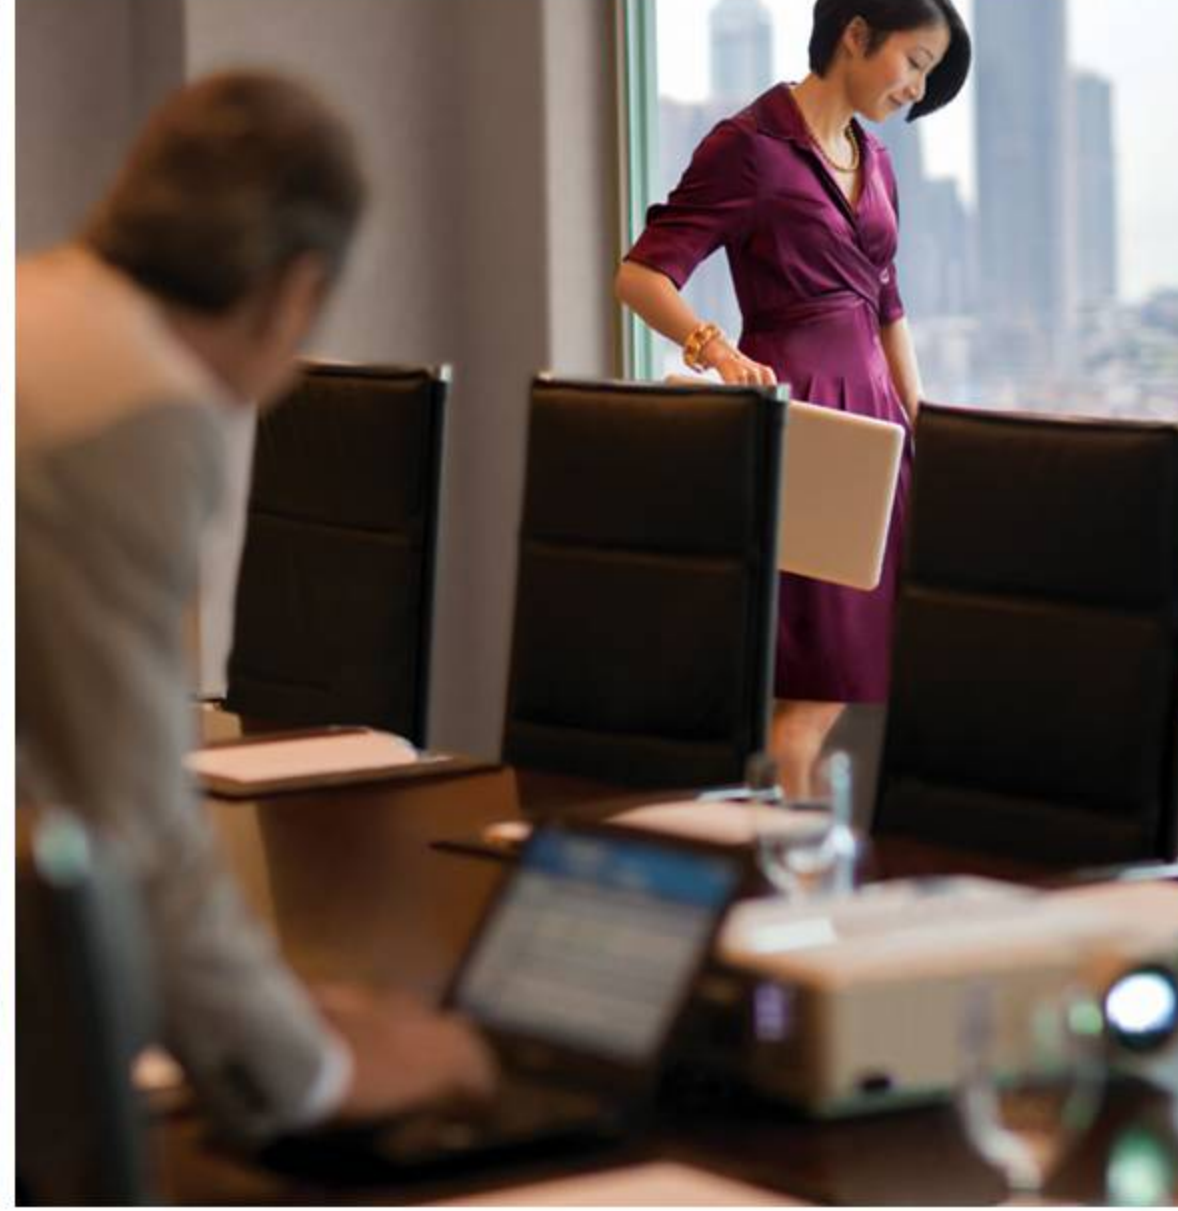

> LEADING TECHNOLOGY

Cantarella are proud to announce the launch of Espressotopia a high quality machine & capsule system that delivers superior espresso extraction.

The Capino machine has European style and performance to match fully programmable featuring 19 bar pressure, an energy saving mode, and support with a 2 year warranty. To complement the system we have a full range of Elegant, unique hermetically sealed capsules made from lightweight packaging which are aluminum free containing 6.5grams of pure coffee to deliver a true espresso.

> FRESH IS BEST

As experts in pure coffee we recommend only the best, freshest & natural ingredients. Our clients are recognized as leaders in MICE – meetings, incentives , conferences and exhibitions. To deliver the freshest bulk coffee option they all choose to use freshly brewed coffee which is portion control for consistency and product quality. This system is supplemented with tools to upsell your banqueting offer using capsule machines & coffee cart solutions – bean to cup or barista operated.
