

Bourgogne Aligote Emotionals Minerales

- Varieties: 100% Bourgogne Aligote
- Type: White
- Region: Chablis, France
- Alcohol Level: 12.0%

Wine Description:

The Aligoté grape variety is prominent in Burgundy, it has flourished here since the 17th century. It gives a refreshing, chiselled wine perfect for drinking with seafood or fish dishes.

Tasting Note:

Pale yellow in color. Clear and bright wine. An open nose, revealing hints of honey and white flowers. A rich palate with a touch of freshness and a citrus finish. Good length.
