

VASSE FELIX
MARGARET RIVER

Filius Chardonnay

- Varieties: 100% Chardonnay
- Type: White
- Region: Margaret River, Australia
- Alcohol Level: 12.5%

Wine Description:

A lighter-framed, modern Margaret River expression, shaped by vineyard sites and clones that naturally produce elegant, lighter fruit flavours. 100% wild fermented, gentle solids and refined French oak maturation build quiet savoury complexity and a soft textural core, while bright natural acidity keeps the palate clean, lively and balanced. Vibrant, elegant and complex.

Tasting Note:

Bright pale straw. Elegant, yet confidently Chardonnay. A delicate fragrance of rockmelon, lemon-herb butter and Granny Smith apple, layered with subtle cucumber freshness and a gentle savoury note of avocado nori and a fine thread of limestone minerality. Light, fresh and finely composed, with a restrained creamy core. Notes of lemon curd are balanced by crisp cucumber freshness and polished acidity, carrying through to a warm, dry, gently powdery finish. Poised and expressive now, with the promise of additional weight and complexity with time in bottle.
