Wine Description:

Harvest is done by hand, grapes are put in small cases in order not to damage the berries. Grapes are then sorted out by hand and destemmed. Maceration in open wooden vats or in stanless steel vats lasts 3 to 4 weeks. During fermentation pigeage is done twice per day. The wine ages 18 months in oak barrels from our cooperage; 1/3 of the barrels are new.

Tasting Note:

Louis Jadot Mercurey is a deeply colored, very soft wine that is medium bodied and fruity yet rich, straightforward in character, and intended for youthful consumption.

It will be an excellent partner for grilled and roast meats, meat cooked in sauce, mildly flavored game and cheeses.
