

BIJOFU Tokubetsu Honjozo

Prefecture: Kouchi

Type: Tokubetsu Honjozo

Rice: Matsuyama Mii

Polishing rate : 60% remaining

Alcohol: 15%

Serving Temperature: Lightly chilled to gently warmed

Tasting Note :

Produced under the concept of 'warm sake to be enjoyed during a meal', this particular sake uses rice that has been polished down to 60%. It is well-balanced and has a clean and elegant finish. The warmer it is when served, the more umami, depth and mildness to be tasted, although it is equally enjoyable when served chilled or at room temperature.
