MASUMI Junmai Okuden Kanzukuri

Prefecture: Nagano
Type: Junmai
Rice: Hitogokochi , Miyama Nishiki
Polishing rate : 60% remaining
Alcohol: 15%
Serving Temperature: Room Temperature

Tasting Note :

MASUMI's ideal Junmai, this item is mellow and mild-mannered in every aspect and really brings out the sweetness and umami of the rice, to make it feel like one is actually eating the rice itself. It can be enjoyed when served chilled, although the taste of the rice is heightened when served warm.
