

Malt Whisky Japanese Kurayoshi Pure The Peated 70cl

Product details

Matsui Single Malt Whisky The Peated is a Japanese whisky distilled by the Kurayoshi Distillery in Tottori Prefecture, Japan. Bottled at 48% ABV, it is aged in white oak bourbon casks and cut with pure volcanic spring water. It offers notes of earthy peat, sweet vanilla, and toasted oak.

Here are the key details about this unique Japanese expression:

- Flavor Profile: It features a delicate, mineral-driven smoke combined with green apple, toffee, brown sugar, and orchard fruits. Unlike heavy, medicinal Islay peats from Scotland, the peat here is often described as subtle and aromatic.**
- Packaging: The iconic label features a famous 19th-century woodcut by Katsushika Hokusai, "The Great Wave off Kanagawa".**
