

EDENVALE

Cabernet Sauvignon

- Varieties: Cabernet Sauvignon
- Type: Red
- Region: South Eastern Australia, Australia
- Alcohol Level: Less than 0.5%

Wine Description:

Proudly made from only the best selected South Eastern Australian wine grapes, this premium alcohol removed wine contains less than 0.5% alcohol by volume well below the international standard for non-intoxicating and a level similar to that found in natural fruit juices

Tasting Note:

A well-structured, smooth Australian Cabernet Sauvignon with a deep red colour, intense blackcurrant, blackberry and cedar flavours, and a strong blueberry aroma. Smooth and well-rounded on the palate, the intense flavours of this wine are a delight.
