

EDENVALE

Chardonnay

- Varieties: Chardonnay
- Type: White
- Region: South Eastern Australia, Australia
- Alcohol Level: Less than 0.5%

Wine Description:

Proudly made from only the best selected South Eastern Australian wine grapes, this premium alcohol removed wine contains less than 0.5% alcohol by volume well below the international standard for non-intoxicating and a level similar to that found in natural fruit juices

Tasting Note:

A well balanced, deliciously smooth Australian Chardonnay characterised by fresh fruit aromas, and flavours of stone fruits and hint of oak. Rich melon, citrus and apple flavours combined with some subtle oak characters add real complexity.
