

EDENVALE

Sauvignon Blanc

- Varieties: Sauvignon Blanc
- Type: White
- Region: South Eastern Australia, Australia
- Alcohol Level: Less than 0.5%

Wine Description:

Proudly made from only the best selected South Eastern Australian wine grapes, this premium alcohol removed wine contains less than 0.5% alcohol by volume well below the international standard for non-intoxicating and a level similar to that found in natural fruit juices

Tasting Note:

A dry, fresh Australian Sauvignon Blanc distinguished by its wonderful fruit flavours, definitive capsicum, ripe gooseberry and herbaceous fruit aromas, and straw green colour. The wine is not bone dry and the flavours linger on a refreshing acid finish.
