

Carac Terre Cahors

- Varieties: 100% Malbec
- Type: Red
- Region: Cahors, France
- Alcohol Level: 13.5%

Wine Description:

An invitation to a delightful sensory journey in Southwest France, at the heart of a distinctive appellation. This nectar, born from the misty vines of the unique Lot vineyards, offers a sun-kissed sweetness, a blend of tradition, modernity, and the rounded character of the Malbec grape

Tasting Note:

A beautiful balance between the delicate and intense aromas of Malbec and the fine, smooth tannins. A wine that develops intensely on the palate.
