

Château des Grandes Terres Bordeaux Blanc Moelleux

- Varieties: Sémillon, Sauvignon Blanc
- Type: White
- Region: Bordeaux, France
- Alcohol Level: 11.5%

Wine Description:

The Grandes Terres comes from a family estate located in the southern part of the Bordeaux wine region, managed by the Girotti family. The vineyard, spanning 8 hectares, is situated in the heart of the commune of Verdélais, with clay-limestone soils on the right bank of the Garonne River. It benefits from optimal sunshine thanks to its south-facing exposure, as well as a microclimate perfectly suited to Sémillon, the dominant grape in this blend.

Tasting Note:

Beneath its golden-yellow hue, the nose reveals aromas of white flowers and candied fruit. A beautiful balance exists between the sweetness and roundness of exotic fruits, and the freshness and vibrancy of citrus and apricot. A modern and trendy sweet wine, light and airy.
