

Château Lestruelle Médoc Crus Bourgeois

- Varieties: Merlot, Cabernet Sauvignon
- Type: Red
- Region: Medoc, Bordeaux, France
- Alcohol Level: 14.0%

Wine Description:

Acquired in 1998 by Patrick Bouey, Château Lestruelle is a wine for young generations. A contemporary winemaking approach accounts for Lestruelle's fruity, round, smooth and generous flavor.

Tasting Note:

Deep garnet-purple colored, the 2018 Lestruelle reveals blackberries, cassis and bay leaves scents with hints of tobacco and new leather. The palate is medium to full-bodied with a good amount of juicy fruit and a chewy texture, finishing earthy with just enough freshness.
