- Varieties: 100% Gewurztraminer
- Type: White
- Region: Alsace, France
- Alcohol Level: 13.6%
- RS: 16.80
- TA: 2.92 g/L

Wine Description:

Our Alsace Réserve wines reflect the Alsatian vineyards and the characteristic typicity of the grape varieties.

The harvest is primarily manual, so that the grapes are whole and undamaged when they are put in the pneumatic presses for slow and gentle pressing. A natural fining is done to protect the wine from any harsh handling.

Tasting Note:

The nose is fine and presents a great aromatic richness with notes of sweet spices (cinnamon, cardamom) and exotic fruits (mango, papaya, and guava). On the palate, it shows a great complexity: supple and ample, with persistence on spicy and mango flavours.
